How To Navigate

The **Cover**, or **Sections Page**, is the page you just came from. It's the jumping off point for the catalog. To go to a section just move your mouse over the brand you want and click. You will be brought to the **Table Of Contents** page for the section you selected. You can now just click on a section you want, browse the section a page at a time, or search for a specific item by clicking on the **Search Section** icon or the  icon in the menu bar.

To get back to the **Cover Page** from the **Table Of Contents** page in any section just click on the **Return to Cover** icon at the top of the **Table Of Contents** page.

To get back to the **Cover Page** from any other page click on the **Table of Contents** icon at the top of each page. When you get to the **Table Of Contents** page just click on the **Return to Cover** icon at the top of the **Table Of Contents** page.

If you have any other questions please refer to the Acrobat Reader help - under the **Help** menu.
