Higher reverse torque ratings loosen the tightest fasteners

All components precision made to highest quality standards for max. performance & service life

Easy to use forward & reverse valve with four positive throttle settings, three forward, one reverse

JET™ Magnesium Series IMPACT WRENCHES

Setting new standards in Performance, Strength, Weight, Balance, Comfort & Life.

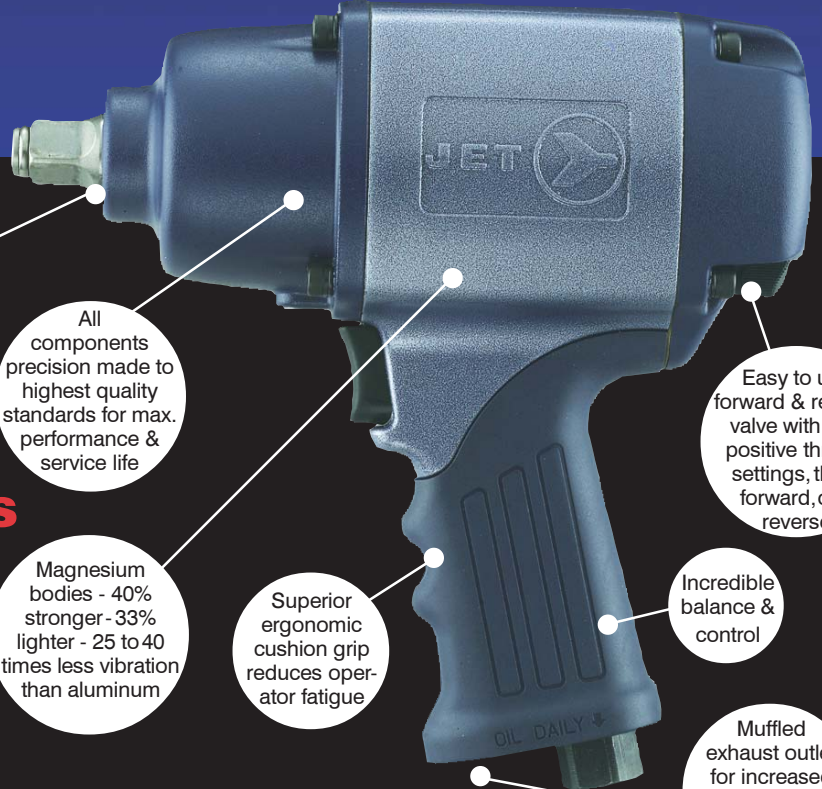

Magnesium bodies - 40% stronger - 33% lighter - 25 to 40 times less vibration than aluminum

Superior ergonomic cushion grip reduces operator fatigue

Incredible balance & control

Muffled exhaust outlet for increased safety & reduced work place noise

Canada's Premier IMPACT WRENCH

1/2" SQUARE DRIVE IMPACT WRENCH

JET MAGNESIUM SERIES AW500MTH (400243) Heavy Duty

- Twin hammer impact mechanism provides more power and smooth, balanced impact blows for reduced vibration
- Super strong magnesium housing - lighter and stronger than aluminum, magnesium absorbs impact vibration better than other materials, improving operator comfort and reducing fatigue
- Exceptionally well balanced tool, for comfort and ease of handling
- Ergonomic handle shaped to fit the operator's hand features: finger grooves for comfort and control; insulating and shock absorbing rubber cover extends to upper rear of handle to protect the web of the hand
- Exhaust air outlet features an effective muffler system for reduced noise in the work area
- Handle exhaust directs air away from the operator and the work piece
- Forward/Reverse control positioned for ease of use, three forward and one reverse setting
- Maximum power in reverse for removing those stubborn fasteners
- Specially treated anvil for extra long service life
- A professional tool for professional users. Ideal for all automotive, industrial & farm service applications including truck, shock, frame, engine & spring work
- **MAXIMUM TORQUE: Forward 500 FT-LBS, Reverse 550 FT-LBS**

new!

400243

1/2" SQUARE DRIVE IMPACT WRENCH

JET MAGNESIUM SERIES AW500MSD (400245) Super Duty

- Same great MAGNESIUM SERIES features as AW500MTH with even higher torque ratings
- **MAXIMUM TORQUE: Forward 550 FT-LBS, Reverse 600 FT-LBS**

new!

400245

3/4" SQUARE DRIVE IMPACT WRENCH

JET MAGNESIUM SERIES AW19MSD (400313) Super Duty

- Same great MAGNESIUM SERIES features in a 3/4" square drive wrench
- **MAXIMUM TORQUE: Forward 1100 FT-LBS, Reverse 1200 FT-LBS**

new!

400313
